CARING FOR MILITARY FAMILIES

Mission: Strengthen, empower, and support America's military and veteran caregivers and their families by raising public awareness, driving research, championing policy, and leading collaborations that make a significant impact on their lives.

The Elizabeth Dole Foundation is the preeminent organization empowering, supporting, and honoring our nation's 5.5 million military and veteran caregivers – the spouses, parents, family members, and friends – who care for America's wounded, ill, or injured service members and veterans at home. Founded by Senator Elizabeth Dole in 2012, the Foundation adopts a comprehensive approach in its support and advocacy, working with leaders in public, private, nonprofit, and faith communities to recognize military caregivers' service and promote their well-being. The Foundation's Hidden Heroes Campaign brings vital attention to the untold stories of military caregivers and provides a network for military caregivers to connect with their peers and access carefully vetted resources.
